

Japanese Language Proficiency Status of Course Graduates

Document Created: June 25, 2024

Name of Japanese Language Education Institution: Kyoto Minsai Japanese Language School

Name of Institution: Kyoto Minsai Co., Ltd.

Japanese Language Proficiency Status of Course Graduates	Compliance with Standards
Item 44: More than 70% of Kyoto Minsai students who have been certified as having completed the course have advanced to universities or other educational institutions, have been granted permission to change their status of residence to one listed in the upper column of Table 1-1 or Table 1-2 of the Immigration Control Act (excluding training for technical interns and diplomats/officials), or have been recognized as being equivalent to A2 or higher in the "Reference Framework for Japanese Language Education."	○

Percentage of Students who Meet the Criteria ②÷(①+③)	90.5%
① Number of Course Graduates (※1, ※2)	401
② Total Number of Students Who Meet the Criteria (Actual Number of Students)	363

③ Number of Dropouts out of the "Total Number of Students who Meet the Criteria (Actual Number)" (Proviso No. 44)	0
--	---

*1 Dropouts are not included.

*2 If a student who has been certified as having completed the course for each fiscal year applies for permission to change his/her status to one listed in the upper column of Appended Table 1-1 or Appended Table 1-2 of the Immigration Control Act (excluding diplomatic, official, and technical intern training) by the date of completion, and a decision on the application has not been made by the time of reporting to the Regional Immigration Bureau pursuant to this paragraph, then there is no need to include that person as a person who falls under the number of persons certified as having completed the course, which is the denominator.

Breakdown of Those Who Meet the Criteria

		2-year Academic Course	1 Year 9 months Academic Course	1 Year 6 months Academic Course	1 year 3 months Academic Course	Integrated Studies Course
*Students who meet two or more criteria can be included in each of a, b, and c. However, since the "Total Number of Students Who Meet the Criteria ((2) above)" must be calculated based on the actual number of students, the student must be treated as one person, excluding duplicates.	a. Number of students going on to universities etc.*Only for those continuing on to higher education in Japan, excluding non-degree students.	116	33	55	11	9
	b. The number of people who have been permitted to change their status of residence to one listed in the upper column of Table 1 or Table 2 of the Immigration Control and Refugee Recognition Act (excluding diplomatic, official, and technical intern training).	14	3	2	0	77
	c. The number of people who have been proven to be at or above the A2 level of the "Frame of Reference for Japanese Language Education" through examinations or other evaluation methods.*Limited to exams listed on the Ministry of Justice website or the Examination for Japanese University Admission for International Students.	98	23	39	8	80

*For individuals who have been certified as having level A2 or above of the "Reference Framework for Japanese Language Teaching" through examination or other evaluation method (C), they must submit a copy of the document (examination certificate, etc.) certifying that they have level A2 or above of the "Reference Framework for Japanese Language Teaching" along with this report.
